

Across the Continent

Part 1: Sourcing the Document

What is the title of this lithograph?

These next two questions might be best answered after gathering details below.

Who do you think it was created for?

Why do you think it was created?

Part 2: Close Read with Visual Thinking

People	Things	Activities

Part 4: Mini Task

After examining *The Continental Divide*, create captions for the smaller scenes in the lithograph and place them in an order that describes the experience of westward migration from one person's point of view. Use details from the image in each caption.
